HESS MURDER.

WILL THERE BE AN ENQUIRY?

An un-named, Senior Scotland Yard Detective, is reported to be studying photographs of the "Strangulation Marks" found on the neck of RUDOLF HESS, who was "found dead" in Spandau Prison on August the 17th 1987. The photographs may PROVE that HESS WAS MURDERED, and did not commit "suicide" as the Authorities have claimed. (See League Sentinel ISSUE 1)

The Home Secretary, Sir Geoffrey Howe also has a set of the photographs which were believed to have been supplied from sources close to the Hess family. A post mortem was carried out on the corpse, two days after the Authorities announced that Hess had been found dead, hanging from a beam in a garden shed in the grounds of Spandau Prison, where the 93 year old, had been a prisoner since 1946. It was at this post mortem, that the "suicide note, was DISCOVERED FOR THE FIRST TIME"..

The post-mortem examination was carried out by Professor James Cameron, of London University, whose findings supported the conclusion of the British Army investigators, that Hess had HANGED HIMSELF.

Four days later, the Hess family arranged a second post-mortem, this it is believed is when the photographs were taken.

This examination was conducted by Doctor Wolfgang Spann, Professor of Forensic Science, at Munich University, and was witnessed by the Chief of the Munich Police.

Although marks were found on the neck of the corpse, these were not consistent with Hanging... Professor Spann said that they indicated "DELIBERATE STRANGULATION, RATHER THAN HANGING". But what was even more strange.. was that THESE MARKS WERE NOT EVEN MENTIONED IN THE OFFICIAL EIGHT PAGE REPORT..

There is no doubt in our minds that RUDOLF HESS WAS MURDERED.. equally, there is no doubt in our minds, that the WHOLE SUBJECT WILL BE WHITEWASHED BY OUR MASTERS...

It's been a rather embarrassing time for the multi-racialists recently, for we were told in a series of articles in the "Daily Mail", that the Muslim community in Britain were an honest, peaceloving law-abiding community, that the indiginous population should model themselves on, for they were "the best of everything British".

Then came a book, written by a little known Indian writer, which upset the Muslim community, and suddenly this "peaceloving,law-abiding community" were demonstrating in the streets, threatening violence to bookshops and publishers, threatening murder to the author, and generally behaving in a most un-British way,...Another"Myth"Exposed.....

BNP leader,John Tyndall recently addressed an invitation only meeting of the British National Party,South Wales,held in Cardiff. The packed meeting was chaired by Cardiff unit Chairman, Anthony Morgan. National Organiser, Dave Bruce, also spoke about propaganda activities, their use and methods, and local organiser Pete Fowler gave details of the unit's newsletter,"Nationalist Response." The BNP plan a full year of activities in the principality.

Police had to protect a small group of Anti-Fascist Action demonstrators,when Skinheads attacked a picket line set up in London's Carnaby Street. A.F.A were protesting at the sale of "Immitation Nazi Insignia" at several shops in the street. Ironically,several of these shops are either owned or managed by Asians..

Former M.P. Mr Enoch Powell,has again predicted a coming Race War in Britain. In a recent interview,Mr Powell said"I still cannot foresee how a country can be peaceably governed in which the population is progressively going to change. I am talking about violence on a scale that can only be described as CIVIL WAR. I cannot see any other outcome."Mr Powell also said that he still feels that the solution is SUBSTANTIAL REPATRIATION!.....

A project to teach English, to Tynesides Ethnic Minorities, has been hit by a cash crisis,because demand for the service is so high. Now the South Tyneside Cultural Project, are applying for more ratepayers money to keep the scheme going.The Project organisers have rejected suggestions that they should charge immigrants for the service, and insist that the local authority increases the £8,500 grant that has already been allowed.

Such has been the flood of Middle Eastern immigrants to the Tyne and Wear region,that the Yemeni Community has opened it's OWN SCHOOL. The school will be part-funded with ratepayers money.

ISRAEL BETRAYS SOUTH AFRICAN "FRIENDS"

Over the past few years, South Africa and Israel have developed a special relationship between them, born out of necessity, because of outside influences that affected them both. Israel faced sanctions from her Arab neighbours, and South Africa from the West. Both countries have needed to maintain a high security profile on their borders, and through this, the special relationship was forged.

South Africa, has very strict currency controls, and prohibits the transfer of large amounts of money abroad, but, so special was the relationship with Israel, that the South Africans WAIVED currency controls to allow South African Jews to transfer amounts in excess of ELEVEN MILLION POUNDS to Israel EVERY YEAR.

But now South Africa is learning to her cost, just HOW SPECIAL is this RELATIONSHIP.

1987 saw the Israeli's first example of FRIENDSHIP and LOYALTY, when the "REAL GOVERNMENT" of Israel, the all powerfull AMERICAN ZIONIST POLITICAL ESTABLISHMENT, "ORDERED" the elected Israeli cabinet, to publicly declare Israeli opposition to Apartheid. Included in the declaration, was a commitment not to sign any new military contracts, cutting off yet another means for South Africa to get the weapons necessary for her defence.

The South Africans were at first incensed by the move, but eventually accepted the Israeli explanation, that the pressure from Israel's U.S. paymasters was too strong to resist. The "special relationship" continued.

The middle of 1988, saw the second BETRAYAL of South Africa, when the Israeli ambassador told his South African counterpart that the Israeli government had made a decision to establish a special fund to assist the development of the South African black community. This development would be in the form of training SELECTED black South Africans, in Education, Community Development and Labour Relations. All the training would take place in Israel, and be funded from INTERNATIONAL SOURCES.

The South Africans were told, that this was in reality, just a public relations exercise by the Israeli's, and no harm would be done. Naively, the South Africans accepted the story, but now, too late, they have realised the TRUE NATURE of ISRAEL'S OFFER.

The "students" that are returning from their "training" in Israel are coming back as FULLY TRAINED TERRORISTS.

They have been trained in POLITICAL AGITATION, PROPAGANDA TECHNIQUES and BOMBMAKING.. Too Late, has South Africa realised the TRUE NATURE of the VIPER THAT SHE HAS TAKEN TO HER BOSOM. The "students" have gone to swell the ranks of the A.N.C. and dozens, or even Hundreds of innocent people, may eventually pay with their lives for the "SPECIAL RELATIONSHIP WITH ISRAEL."

Anti-Fascist demonstrator, Adrian Besley was sentenced to do 150 hours of community service, and ordered to pay £50 costs for carrying a Taped Metal Cosh at an ANTI-FASCIST ACTION DEMONSTRATION in London on November 30th 1988. Besley, of Laburnham House, Bradwell Avenue, Dagenham, Essex, told the court, "I have been twice attacked by the National Front before while walking with my wife who is Indian, for that reason I thought I would carry something for self defence." Besley has two previous convictions for threatening behaviour.

VIEWPOINT

Our congratulations to the Home Secretary, Douglas Hurd, for at last ordering the Police to enter the Church of Ascension in Manchester, and arrest illegal immigrant, VIRAJ MENDIS. Also the Home Office must be congratulated on the swift deportation of Mendis, once the arrest had been made. BUT WHY DID IT TAKE SO LONG ?? Mendis arrived in Britain as a student in 1973. Two years later, having failed his examinations, and now threatened with deportation, he went into hiding. Eventually, Mendis, a REVOLUTIONARY COMMUNIST, took refuge in a christian church, and claimed "sanctuary".

Despite the fact that the laws of sanctuary now longer exist, the Home Office, and the Police, DID NOTHING FOR TWO YEARS, WHY ??

Mendis, a wanted man, was sheltered by the Priests at the Church of Ascension, but none of them has ever been arrested .. WHY ??

The failure of the Authorities to take POSITIVE ACTION against ALL THOSE INVOLVED has led to the establishment of a "Sanctuary Movement", with up to twelve churches in the London Borough of Newham now offering "sanctuary" to other illegal immigrants facing deportation.

Only firm action against the churchmen involved, will prevent even more of our "Christian Places of Worship" being turned into "safe houses" for undesirable aliens.

Finally, we must remind Mr Hurd that his work is not finished yet. In case he has forgotten, there is another illegal immigrant, MR AMIR KABUL KHAN, who is hiding in the CENTRAL MOSQUE, in BIRMINGHAM...

DO YOUR JOB MR HURD!!!!

Pakistan's new Prime Minister, Mz Benazir Bhutto, has said that "Pakistan was determined to implement the full principles of Islamic Law, and would cancel any existing laws that contradicted those of the Koran."

This will mean the introduction of new legislation to facilitate the cutting off of the right hands of thieves, and the stoning and flogging of those convicted of adultery.

Britain will no doubt soon be faced with a stream of ONE HANDED, BADLY BRUISED REFUGEES, ALL CLAIMING "POLITICAL ASYLUM"...

During the 1987 Notting Hill Carnival, a 23 year old married man was stabbed to death. He had been trying to earn some extra money for his young wife and child by selling soft drinks from a stall outside his home. He was surrounded by a multi-racial gang who were intent on stealing his stock, and when he tried to stop them, the ringleader, 24 year old West Indian, Alban Turner stabbed him several times through the heart. Turner later boasted to his cronies that he had "wasted the White Bastard".

At the Old Bailey recently, Turner was found guilty of murder, and sentenced to Life Imprisonment, with a judges recommendation that he serve at least 20 years.

By todays standards, this was quite a stiff sentence, BUT WAS IT JUSTICE????

IF the judges recommendation is adhered to, Alban Turner will be 44 years old when he returns to the streets, still a reasonably young man, but for his victim, Micheal Galvin, there is no return. Never again will he see his pretty young wife, never will he see his baby daughter grow into a young woman. IS THAT JUSTICE ?

Murderer, Alban Turner should have been hanged for his crime.. THAT'S JUSTICE..

Twenty new Community Radio Stations are to go on the air in April. In London, four out of the six new stations will be for "ethnic minorities". Applications have been recieved from representatives of the Asian, Afro-Caribbean and Greek Communities, also from the Jewish Board of Deputies. Three of the four "ethnic stations" are to be based at HOUNSLOW, HARINGEY AND BRIXTON, all area's where the "ETHNIC MINORITIES" ARE BRITISH, CHRISTIAN AND WHITE??????

So Maggie had a secret meeting, with the South African foreign minister, Pik Botha, and told him, that the convicted terrorist Nelson Mandela "must be set free". What a pity, Maggie didn't have the courage to defy her masters, and order the release, of RUDOLF HESS, when she had the chance...but then again....
.....HESS WASN'T A BLACK COMMUNIST....

ADOLF HITLER...

DID YOU KNOW ?

That Adolf Hitler was never a housepainter, in fact he was an accomplished artist whose favourite subject was old buildings. He also painted detailed watercolour postcards.

The Marquess of Bath has sixty watercolours by Hitler in his private collection. Three of these are normally on display at Longleat House in Wiltshire.

Although born in the small town of Braunau am Inn on the Austrian/German border, he moved to Leonding, near Linz, when he was five years old.

His first school, was a primary school run by Benedictine Monks in the Abbey of Lambach.

That his father, a civil servant, died in 1903, and his mother died from cancer in 1907. Both are buried in the cemetery at Leonding, where their grave is still well tended by "Comrades".

After his mother's death, the young Hitler moved to Vienna. He lived in lodgings at 29, Stumpergasse. The house still stands today.

He later moved to the Felberstrasse area of Vienna, near to the main Westbahnhof station. Here in 1909, he briefly became a follower of Hans von Liebenfels, who edited a newsletter "Ostara" (the German Goddess of Spring). Von Liebenfels was a proponent of Nordic Racial Purity, and his movement's emblem was a Red Swastika, on a Gold background.

Trenches at Douaumont (Verdun) by Adolf Hitler, dated 1914

In 1913, Hitler left Vienna, and moved to the Schwabing district of Munich. Here he painted several pictures of the old Town Hall.

Hofbrauhaus, Munich by Adolf Hitler

In 1914, he volunteered for military service in a Bavarian regiment. During the 1914-1918 war, Hitler rose from a private to a corporal, and was twice decorated, with the Iron Cross, First and Second class, for bravery in the front line. He was twice wounded in action.

Hitler wrote "MEIN KAMPF" in Landsberg prison, where he served eight and a half months, following the failure of the 9th of November Putsch.

The book is the world's second ever best seller, only beaten by the Bible. The royalties from it made Hitler a rich man. Today, all royalties from sales go to the State of Bavaria, which claimed ownership to all of Hitler's possessions.

The manuscript was edited by Rudolf Hess, and typed in Landsberg, by Adolf Lenk on a portable Adler typewriter. Mr Lenk still lives in Munich, and still has the typewriter.

The first election victory for the N.S.D.A.P. was in local council elections in Thuringia, when Dr Wilhelm Frick became the local Minister for Education.

THE MAN OF THE CENTURY

COLIN JORDAN.

Fifty-two Easters ago, I sat by that great river, the Rhine, a boy of 14, staying on holiday with a German family in the Hohenzollern Ring Strasse in Cologne. I went there from a much different England from that of today; an England where you could speak and write your mind on the Jewish issue, free from race-relations prohibition; where a coloured face was an oddity; where old ladies could go out at dark without being mugged; where that noxious noise known as "pop" was non-existent; and where jeans were only workmen's overalls, and not the daily dress of a decayed and disintegrating democracy.

I went to a Germany, veritably reborn from the dégradation of Weimar democracy, the Nation electrified with an exultant feeling of corporate purpose and achievement, which made every day a holiday, indeed literally a holy day, and this more than anything else, because of the vision and the will of one marvel of a man, in arousing millions in active service for the Aryan cause.

Never before, or since, in all history, has any other man so tremendously championed the cause of our race, as he whose centenary of birth falls on April 20th, of this year, 1989.

It is in this respect - transcending all comparative minutiae of criticism - that Adolf Hitler was then, and is now, to be hailed as hero, and signified as "right".

It was of course a certainty from the start, that the whole assortment of anti-Aryan forces everywhere, would congregate and contrive for his destruction; that was the very measure of his greatness.

WORDS AND THOUGHTS

Below are examples of both the written, and the spoken, words of Adolf Hitler. They have been taken from various sources, including "Mein Kampf" and various speeches that he made between 1924 and 1945. They give his views of the problems faced by Germany, and the World, in the 1920's and 30's. They also outline his solutions, and his plans for the future. Many are still valid today, Preservation of Race, Responsibilities of Citizenship, Youth Education and the Struggle that we face, are ALL UNALTERED TODAY. Some of the statements printed here, are today illegal under the various Race Relations Laws, and are printed only as Historical Record, and not with any intent to cause or justify Racial Hatred: The true Spirit of National Socialism is the PRIDE AND LOVE OF ONE'S OWN RACE, AND THE DESIRE TO PRESERVE IT'S OWN PURITY...

Whenever foreign blood has been introduced into the body of our Nation, It's unhappy effect has been to break up our own National Character....

Thus did I now believe that I must act in the sense of the Almighty Creator; by defending myself against the Jews, I am doing the Lords work.....

...a revolution will, and can, only come about by the means of a movement, itself built up in the Spirit of Revolution....

There must be no majority making decisions, but merely a body of responsible persons, and the word "Council" will revert to it's ancient meaning. Every man shall have councillors at his side; but the Decision shall be made by one man...

If the Jew, with his Marxian creed, conquers the Nations of this World, his crown will be the funeral wreath of the human race....

Our first task, is not the creation of a new conception of a nation, but the removal of the present Jewish Conception.....

It must be held in greater Honour, to be a citizen of this country, even if you are only a road sweeper - than to be the King of a Foreign Country.

The National Theory of the World must be completely differentiated from the Marxist Theory, it must Pin it's faith on Race.....

....there was only one possible ally in Europe... .."Great Britain".....

No sacrifice would have been too great in order to gain Englands Alliance.

The Land, Acquired and Defended by the Nation, must be at the Service of the Nation.....

GERMANY

West Germany's ruling centre-right coalition suffered a crushing defeat in local elections in Berlin when the Strongly Nationalist "German Republican Party" grabbed over 8% of the votes.

This was enough to give them several seats in the German State Parliament, and from next year, seats in the National Parliament in Bonn.

The Chairman of the Party, former Waffen SS Officer Franz Schonhuber, said "Today the German people have shown again the need for a Democratically Purified Patriotism".

The Party, which was founded in Bavaria in 1983, fought their campaign on drug abuse, law and order and Immigration issues, and gained most support in the working class districts of Berlin, where there are over 200,000 immigrant workers.

An opinion poll conducted in Germany by the German research company, Bmnd, revealed that 51% of all Germans questioned, were against any more prosecutions of alleged "war criminals"

An unidentified group daubed a Swastika, and left a pigs head at the memorial to the German Communist Leader Rosa Luxemburg.

AUSTRIA

The statue of the Russian "UNKNOWN SOLDIER" in Vienna has been attacked and damaged by local youths. The statue, was imposed on the Viennese by the Russians at the end of the war, and is known locally as "The Statue of The UNKNOWN RAPIST."

AUSTRALIA

Australia, has become the latest country to bow to zionist pressure and change it's laws, so as to allow the prosecution of alleged "war criminals" that arrived in the country as refugees from Communism after the last war.

SOUTH AFRICA

Eugene Terreblanche, leader of the Afrikaaner Resistance Movement (AWB) recieved a unanimous vote of confidence from the party's Ruling Council at a specially convened meeting in Pretoria. This followed a vicious smear campaign against the Nationalist Leader, by the Liberal Press, who alleged that he behaved improperly with an attractive Liberal Journalist, Miss Jani Allan. Mr Terreblanche told the meeting that now the smear campaign had failed, he would press ahead with the Party's aim of creating a "BLANKE VOLK-STAAT", (a White People's State)

UNITED STATES

A Chicago based National Socialist group has made an offer to buy the 89 foot yacht "Ostwind", formerly owned by Adolf Hitler. The present owner, John Nelson, a marine property developer, has said that he will probably scupper the yacht as he has been put under a lot of pressure by local zionists, who had staged a hate campaign against both him and his family.

CANADA

The Canadian police have launched an "investigation into the war-time activities" of 75 year old Joseph Kirschbaum, a Toronto resident. Mr Kirschbaum has admitted being a member of the pre-war Slovak Nationalist Party the Hlinka Guard, but has denied any allegations of "war crimes". The "evidence" is being supplied by the Communist regime that now rules Czechoslovakia.

FRANCE

The French interior minister, Charles Pasqua, has banned from sale, all badges, uniforms, flags and banners of National Socialist origin. This follows pressure from French Jewish organisations.

The Man of the Century..continued..

Poland, in its purblind protagonism of self-benefiting iniquities of the Versailles Treaty, provided a fulcrum for their foul purpose.

Thus it was that 1939 presented the last opportunity for all those outside Germany devoted to Aryan interests to rise up and stop the demented drive to disaster, reform their own countries, abandon the fratricidal nationalisms benefiting the common enemy, and bring about instead, a unity of the Aryan peoples, able to withstand the multiplying numbers, and mounting power, of the non-Aryans of this globe. Sadly they failed to do so, and so the most terrible of the blood-baths of the brothers followed, with the most awful spectacle of so many Aryan Nationalists proud of their war service against their ideological, and racial kin.

I say this, not from some smug standpoint of detached hindsight, but as one who, in his everlasting and agonizing reflection on the immensity of the Aryan catastrophe of 1939-45, derives some slight consolation from the fact, that at that time, after a mere period of unsuccessful training in the Fleet Air Arm, he came to see the folly of the war, and accordingly, on political grounds, refused to fight against National Socialist Germany.

Only an overwhelming advantage of men and material enabled the powers of darkness to gain victory, and that victory was automatically the defeat of everything Aryan, and the triumph of all things else.

From the war and its ghastly conclusion have followed all our present afflictions and perils.

This, the appalling state of Britain today, exemplifies what it was all about. This is what Britain's democrats fought for!!!

Sometime after the culminating disaster of 1945, I sat again in Germany, spending half a night on the debris of the "Berghof", the mountain home, of the Man of the Century whose centenary currently occurs, and which Jewry's Allies first bombed and then, fearful even of the ruins, blasted them to smithereens. Amid the magic of the place, seemingly invested that night with his immortal spirit, and with the little, fairy-like lights of Berchtesgaden far below - as he himself

saw them so many times - and matched by other little lights of the stars far above, one of which chose that time to depart its station, and cascade across the firmament; I contemplated at length, the immensity of what had been lost to us, and the corresponding immensity of the price to be paid in the future. This filled me anew, with an intensity of certainty of his rightness, and so in a later year, I

returned to spend another night testifying to that certainty, with a huge "HITLER WAS RIGHT !" slogan painted all over the one remaining boundry wall of the site.

As the centenary draws near, and arrives, it is fitting that we contemplate the Britain, the Europe, and the World which would have been ours today, if this crazy country of ours had not in 1939 taken upon herself the role of a principal in the devastation of what was then, the present to the despoilment of what is now our future, and had instead, responded favourably to the message and the example of he who truly came as the saviour of our age.

Our towns today, instead of resounding to the tumult of the hordes from Africa and Asia, would still be the exclusive property of the descendants of their Anglo-Saxon and Celtic creators.

Our youth, instead of being stricken with drugs and all the other debasements of the hideous "pop culture", would be trekking in physical splendour, our byways and hills, and joining with the kindred youth of other parts of Europe, in greater demonstrations of comradeship and confidence in the even greater glories of tomorrow, on the road to superhumanity.

Our media, instead of being in all senses an alien instrument of corruption, ceaselessly promoting national decline and racial degeneration, would be consecrated to the upliftment of our people.

Our teachers, instead of being almost entirely sickly purveyors of pollution, would be salubrious models and guides for a just and orderly and prosperous folk-community.

CONTINUED..on next page..

The Man of the Century.

Such contemplation is not simply some sterile projection of nostalgia, but the purposeful source of that most powerful propellant for action, which is a flaming fury. It may well be, realistically, that we have had and lost our last chance to achieve such ideals, at least for the present age, and thus are now daily getting not nearer to, but further away from the millenium.

Even so, be sure that this is no cause whatsoever for surrender and inaction. Resistance to evil is not an option, but a never ending bidily necessity, for any and every real National Socialist, bringing a Triumph of the Will over any and all adversity, this being a spiritual victory, which is always the most important victory of all.

For April 20th, 1989, your passwords must therefore be:- Never forget what the enemies of Hitler have done to your country!! Never forgive them for what they have done!! Never cease to strike back against them to the utmost that you can for what they have done!! This is the only meaningful way to celebrate the day, and to honour the man, making sure that those enemies will have good cause to Remember, and to Regret....
